

This October, Giatec is pleased to be an exhibitor at [NRMCA's Concrete Works 2017!](#)

Concrete Works will be held from Sunday, October 1st to Tuesday, October 3rd in Grapevine, Texas. The convention is an exclusive event for the concrete industry, featuring an exposition hall with top companies in the industry to showcase their latest technologies, products, and services.

Giatec will be placed at booth 512, located in the center of the exposition hall.

A map of this years floor plan can be found here: [Floor Plan Concrete Works 2017](#)

Are you a ready-mix producer? Join us on October 3rd for an in-depth look on how to increase profitability and efficiency by bringing IoT solutions to your job site! Please see below for more information:
